Communications Class	Dec 2020 - May 2021	Each week MVYRADIO worked with a group of Middle School students one day, and a group of High School students on another day, on their communication skills, technical skills, and self-knowledge. The class culminated with an hour-long podcast to celebrate the school's 25th Anniversary. The students gained confidence and practical skills that will impact every area of their lives, and specific skills that will advance a career in communications and broadcasting.
